St. Luke's Cancer Care Associates – Surgical Oncology

Drs. Darius Desai and Roderick Quiros focus their surgical practice on gastrointestinal, liver, thyroid/endocrine and breast cancers and melanoma

Darius C. Desai, MD, FACS
Dr. Desai serves as the medical director of the St. Luke's Family Cancer Risk Evaluation Program and St. Luke's GI Cancer Program. He is one of the Pennsylvania state chairs for the cancer liaison physicians for the American College of Surgeons, Commission on Cancer.

Dr. Desai received his medical degree from Jefferson Medical College in Philadelphia, Pennsylvania. He completed his residency at the Lankenau Hospital and Medical Research Center in Wynnewood, Pennsylvania.

Dr. Desai completed his fellowship in surgical oncology and was a research fellow in human genetics at The Arthur G. James Cancer Hospital & Richard J. Solove Research Institute, Ohio State University in Columbus, Ohio after completing his general surgery training. He is a Fellow of the American College of Surgeons and a member of the American Society of Clinical Oncology, the Society of Surgical Oncology, and the American Hepato-Pancreato-Biliary Association.

Certified by the American Board of Surgery, he publishes extensively, presents nationally and authors book chapters.

Roderick M. Quiros, MD, FACS
Dr. Quiros received his medical degree from the University of Texas Medical School at Houston in Houston, Texas. He completed his residency at Rush University Medical Center/Cook County Hospital in Chicago.

Dr. Quiros completed his fellowship in surgical oncology at Fox Chase Cancer Center in Philadelphia, Pennsylvania after completing his general surgery training. He is a Fellow of the American College of Surgeons and a member of the Society of Surgical Oncology, the American Society of Clinical Oncology, the Society of American Gastrointestinal and Endoscopic Surgeons, and the Midwest Surgical Society.

Certified by the American Board of Surgery, he has been published in numerous medical books and peer-reviewed journals and has presented internationally.
