

Gail Boles lived life to the fullest and she loved many things.

Gail loved her family; her husband John and children Cathleen, John Patrick, Christine and Laurene. She loved her sisters and her friends, traveling, dining, laughing, having fun and golfing. She loved the Silver Creek Golf Club and she loved the members she played with as much as they loved her. Her consistent golf swing and a tee shot that was always down the middle of the Fairway, led John to nick-name her Fairway Fanny.

St. Luke's Hospice staff had the privilege of caring for Gail at St. Luke's Hospice House in her final days of life. For family and friends, visiting Gail during her illness was a testament to her life. Family members of all ages surrounded her while the house was warm and filled with good food and drink. And there was always, always fun and merriment.

This year, we return to the tees to play in honor of Gail, whose final wish was to "drive it straight down the middle" one more time.

Proceeds from this event go directly to the VNA Golf Tournament Fund for Hospice. This endowment fund helps defray costs for:

- Maintenance and beautification of the in-patient St. Luke's Hospice House and Meditation Garden
- Compassionate care to those in need
- Nurse education
