*My Health. My Hospital.*SM

Can you waltz the night away every Saturday?
Can you keep up with a five-year-old grandchild?
Can you climb up on the roof when you have to?
And kick it up with your friends when you want to?

Without healthy bones, all the simple things in life become complicated, painful, even impossible...

SURGERY

Having surgery can be a stressful experience for you and your family. Our staff is committed to making the experience as comfortable as possible. We will provide you with complete information regarding your treatment and care. St. Luke's Orthopaedic Specialists has dedicated staff to schedule your surgery and make arrangements for any pre-admission testing that is required. We will verify your insurance coverage and complete any precertification that is necessary.

EMERGENCIES

Day or night, the physicians of St. Luke's Orthopaedic Specialists are available to address your emergency. In the event of an emergency, please contact the office, and provide your name and a description of the emergency. In the event of a life-threatening situation, please go immediately to the nearest emergency room for treatment.

PRESCRIPTION REFILLS

Prescription refills can be obtained during office hours only. Due to our policies, prescriptions for pain medication will not be given after office hours. Please plan to call during regular office hours and allow sufficient time for your refills to be addressed.

INSURANCE/REFERRALS

We accept most major insurance plans and will verify this at your visit. Most insurance plans require a referral from your primary care physician. Please be prepared to present this referral at the time of your appointment. In some cases, your appointment may be rescheduled if the appropriate referral has not been secured. If you have a question about referrals or insurance coverage, please do not hesitate to contact us for further information.
