

St. Luke's Miners Community Health Team met with the Retiring and Incoming Panther Valley Superintendents at the end of the 2014 school year to review goals and objectives. At that time the Superintendents shared that Mental/Behavioral Health and Substance Abuse were their priority needs. St. Luke's Community Health and Panther Valley School District strategized a plan to apply for local, state and federal grants, and work with local community agencies, to meet the needs of the community and the students.
