

## Thank you for your support!

I am delighted to introduce you to the first edition of our monthly eNewsletter, highlighting stories of generosity, volunteerism, and the power of kindness.

From enabling young people like Abigail to pursue her dream of becoming a nurse, to welcoming talented, passionate physicians like Dr. Zwiebel, to acquiring innovative technology to amplify our work—philanthropy is at the core of all we do.

I hope you are encouraged by what you read. You are a valuable member of our St. Luke's community, and we are so grateful for all that you do.

*Patrick J. Bower  
Vice President for  
Development and External Affairs  
St. Luke's University Health Network*

## From NICU Patient to NICU Nurse

After spending the first four months of her life in the St. Luke's NICU, Abigail Rakos grew up with a passion to help children—which drove her to apply to nursing school. She was excited to receive a scholarship to fund a portion of her education, but St. Luke's Miners Campus was thrilled to offer something even better.

## A Familiar Face at the Monroe Campus ER

St. Luke's has been at the heart of the career and life of Marissa Zwiebel, MD, a Temple/St. Luke's School of Medicine graduate. And now, she's starting a new relationship with St. Luke's.
