Merissa L. Frye Small Cell Cervical Cancer Memorial Foundation

The Merissa L. Frye Small Cell Cervical Cancer Memorial Foundation was founded with the mission of improving outcomes in the community and of cancer diagnoses.

This past year has shown great potential for our organization through the success of our previous fundraising efforts and prior golf scramble. From our prior golf event the MLF Foundation was able to generate over \$10,000 in donations to the Macungie Ambulance Corps, East Penn Student Scholarships, and various other charities.

With your help, the foundation plans on exceeding our prior year total with making further donations to the Macungie Ambulance Corps' responder training fund named in Merissa's honor. Educational scholarships will also continue in Merissa's name. We also have established the Merissa L. Frye Cancer Research and Compassion Fund with St. Luke's University Health Network to support women's cancer research and monetarily assist with bills not covered by insurance. Please join us in Taking A Swing at Women's Cancer!

The Merissa L. Frye Small Cell Cervical Cancer Memorial Foundation is a 501(c)(3) nonprofit organization.
