

St. Luke's Sports Medicine

Extraordinary Care from the Region's Largest Provider

100K+

St. Luke's is the region's largest Sports Medicine provider covering more than 100,000 athletes in Pennsylvania and New Jersey.

88

Eighty-eight board-certified and licensed athletic trainers and growing, the most in the region. In fact, 81% of St. Luke's athletic trainers are Master's and/or Residency trained.

40+

More than 40 high school, college and elite sports programs partner with St. Luke's Sports Medicine.

1st

St. Luke's is first in the state to offer an Athletic Training Residency Program and routinely provides educational opportunities onsite for Athletic Trainers.

30+

Over 30 St. Luke's locations provide necessary medical care and treatment for sports injuries, including Sports Medicine/Primary Care offices, St. Luke's Care Now walk-in care centers and emergency rooms.

5

Five priority educational offerings are available to athletes, coaches, parents and administrators, including programs on:

- Concussion
- Heat and hydration
- Environmental awareness
- Cardiac concerns
- First Aid/CPR/AED

2

As part of its mission to provide injury awareness and education, along with safeguarding the health of young athletes, St. Luke's partners with two youth safety organizations, including the Youth Sports Safety Alliance and STOP Sports Injuries.

5

Five major athletic organizations trust St. Luke's Sports Medicine to be their Official Sports Medicine Provider: Pennsylvania Interscholastic Athletic Association District XI; Hunterdon, Warren and Sussex Interscholastic Athletic Association; Parkettes National Gymnastics Team; a Lehigh Valley United Soccer Club and Schuylkill League.

75+

Over 75 youth programs and organizations trust St. Luke's Sports Medicine to provide Sports Medicine coverage for 15,000+ athletes, including the 5-Star Heart Program, Yasso/Rothrock Christmas CHY Classic, VIA, the Lions Club and many more.

Extraordinary care in motion.
