Diploma Program
Bethlehem, Pennsylvania**

PAY IT FORWARD ENDOWED SCHOLARSHIP FUND

St. Luke's Hospital & Health Network is pleased to announce the establishment of the *Pay it Forward Endowed Scholarship Fund*. The essence of the Pay it Forward philosophy is to repay those who have helped us on the path to success by sharing our time, talent and treasure with others who can benefit from our support. The endowment has been established with an anonymous \$50,000 gift from a graduate of the St. Luke's Diploma School of Nursing.

The purpose of the Fund is to support and advance the education of students and faculty members affiliated with the St. Luke's School of Nursing, Diploma Program. Scholarships will be awarded on an annual basis through a process overseen by the Director of the School of Nursing, Diploma Program. Recipients can include nursing students in good academic standing or qualified nurses who are working to complete an advanced degree needed for service as a faculty member at the St. Luke's School of Nursing, Diploma Program. Scholarship funds can be used for education related expenses (tuition, books, fees, etc.).

We invite you to help support the School of Nursing by making a contribution to this fund. Pay it forward, for those who need it most. To make a contribution, you may send it to or contact:

Sandra Mesics, Director
