

## Omnipod 5 Pump

**You must complete all these steps at least one full day before your pump start appointment:**

- Please go to <https://www.omnipod.com/setup>
- Set up and register your Omnipod ID and Password. This is your Podder Central account. Make a note of ID and password, you will need them in the future.
- Next, follow the instructions to create your **Glooko account** and link it to our office
  - Log onto [www.poddercentral.com](http://www.poddercentral.com)
  - Use the user name and ID you utilized in your controller
  - Click on the manage data tab
  - Scroll down and create and link account
  - **Make sure when it asks for a Proconnect code you put in: stlukes**
  - **You must say yes** to all the share questions on both Glooko and Podder Central
- Once this is completed- turn on the controller in your Omnipod 5 Intro Kit
- Scroll down and input your Omnipod ID and password into the controller.
- If you have any problems, **call Omnipod 800-591-3455**

### **Bring with you to the pump start visit**

- Fully charged controller
- A fresh vial of rapid acting Insulin (mealtime insulin)
- Your large white Omnipod 5 intro kit box
- Your fully charged cell phone
