Infusion Center staff

Registered nurses with special training along with patient care assistants will care for you during your stay.

Putting safety first

Patients are frequently asked to provide us with name and date of birth. Ensuring proper identification enables us to provide safe care at all times.

Name tags

As a safety measure, patients are asked to wear name tags at most campuses. Warren campus supplies patients with name bracelets.

Meals

- Patients receiving Infusion Services during mealtime in the Infusion Centers at Bethlehem Campus, Anderson Campus, Allentown Cancer Center, Miners Campus, Warren Campus and Monroe Campus are provided with a selection of various nutritious snacks and beverages.
- Patients receiving Infusion Services during mealtime in the Infusion Centers at St. Luke's Quakertown Campus and Sacred Heart Campus are provided a menu for a lunch option. Cold beverages and snacks are available upon request.

continued on back

HEALING BEGINS HERE.

The safety of our patients and their visitors is of utmost importance in the infusion centers. We strongly recommend patients with small children (age 12 and under) to please make child care arrangements. We request that children under the age of 12 refrain from entering the treatment room to provide a safe environment for everyone. If there are any questions or concerns regarding this matter, please do not hesitate to call the infusion center and speak directly to a staff member. We will make every attempt to accommodate any special needs for the patient.

Coffee and snacks

Light refreshments are readily available to patients and visitors at all campuses.

TV

All infusion bays are equipped with a television for patient enjoyment.

Insurance

Insurance cards should be presented at the first visit and copies will be scanned into your electronic medical record.

Medications

We will need a copy of your current medications at your first visit. If your home medications are changed during the course of your treatment, please let us know so we can make the changes to your chart. A summary from your visit can be provided to you at the time of discharge from the infusion center for you to take home and keep for your records.

Appointments

Appointments are scheduled according to the treatments given each day. Please arrive at your scheduled time. Each infusion bay has an infusion chair and/or bed and one guest chair. So as not to compromise patient care, we kindly request only one visitor accompany loved ones receiving treatment in the infusion center.

Cancellations

If for any reason you need to cancel your appointment you can call the Infusion Center any time. Please leave a message on the answering machine after hours; we will check our messages the next business day. Infusion Center phone numbers are provided on the front of this sheet.

Sick calls

If you do not feel well in the evening or the day after treatment, it is important that you call your doctor. We are not able to prescribe medicine or give advice over the phone.
