

## St. Luke's Harvest fest

### SUMMARY

- St. Luke's Harvest fest was held on Saturday, October 24th at St. Luke's Upper Perk Outpatient Center from 10PM-2PM with over 300 people in attendance. The purpose of St. Luke's Harvest fest is to provide a health oriented fall festival for the Upper Perkiomen and surrounding areas.

### HIGHLIGHTS

- Free Health Screenings included : Sleepiness Studies, Cholesterol, Blood Pressure, Bone Density , Physical Therapy, Heart and Vascular, St. Luke's Dental Van Tours, Ambulance Tours and information on St. Luke's 3D Mammography and Sensory Suit.
- The event was free for the public and included a music, fresh food stands provided by Rodale Farms, St. Luke's and OMG Smoothies Food Truck, as well as, kids activities, free pumpkin painting, a free Trick or Treat, vendors and give-a-

### SUCSESSES

- We had nice weather and great attendance to this years event!
- Many event participants enjoyed our NEW Free Trick or Treat

### CHALLENGES & NEXT STEPS

- As with any outdoor event a challenge we face is unpredictable weather.
- Due to the 5k before the Harvestfest we also face some logistical challenges with parking and road closures for this event.
