*Applicants may complete requisites at more than one properly accredited college/university. The School of Nursing requires two math courses. A three credit Algebra course and a three credit elective math course. Above are mixed options of available algebra and elective math courses from area colleges. The School of Nursing does not accept corequisites in place of credited courses. If you completed Algebra and an elective math in high school please send us your transcript for review. You may be able to apply those courses to the math requirement. All prerequisite courses completed prior to May 15, 2023, can be a grade of C or better, any courses completed after May 15, 2023 must be a grade of C+ or better.
