President's Farewell Note

Dear Alumni,

Well, the time has come...even all good things must come to an end! I have been the longest serving President of the Alumni Association...for the last 11 yrs (since 1898, when the first alumni president, Virginia Roberts, class of 1892, served for 18 yrs.)! During my tenure, I have dedicated much of my time and effort to supporting and improving our school and the Alumni Association. Most challenging were the past 3 years, just trying to sustain through the COVID pandemic as both President and Treasurer. I have most enjoyed attending many graduations and promotion ceremonies at which I have delighted in seeing our future St.Luke's nurses, & I have proudly presented many awards and scholarships on behalf of the Alumni Association. I have also cherished the many conversations I had with our elder alumni, who have been very supportive over the years with their generous donations. I am proud of my accomplishments and improvements to the Alumni Association... from updating our hospital museum to include more School of Nursing memorabilia, to adding color to our newsletter/photos and to saving the association thousands of dollars on printing the newsletter and homecoming refreshments just to mention a few. My favorite/memorable events were: participating & representing our School of Nursing in the 100th Halloween Parade in 2022, attending the 2023 Charity Ball (\$1,000 donated since proceeds benefitted the School this year), attending Graduations (where I presented 5-\$100 awards to 5 graduates on behalf of the Alumni Association) and Promotions Ceremonies (where I presented \$1000 scholarships on behalf of the Alumni Association). I am happy to announce that we are planning to revitalize Homecoming this year on **October 21st**. Hope to see you all there...stay safe and be well.

Remember..."Medicine heals the body, but nurses heal the soul."

Your dedicated (and retiring)
Alumni President,

Sandra (Tirpak) Davidyock, RN

Scholarship Donations

Thank you to each Graduate who has contributed to the Alumni Funds. Any and all amounts help towards providing scholarships at the Promotion Ceremonies and awards at Graduations.

Due to the nursing shortage, St. Luke's School of Nursing has increased the number of students accepted into our nursing program. We are trying to do our part to meet the demand for more qualified nurses. St. Luke's School of Nursing now provides both a Day & an Evening/Weekend 20 month program.

Consequently, there are 3 Promotion Ceremonies & 3 Graduations every year.

The Alumni Association would like to continue to provide scholarships & awards for our future nurses, which can only be achieved with your generous support.

Thank you!
